Independent Auditors' Report

To the Board of Directors of
International Gay and Lesbian Human Rights Commission, Inc.

We have audited the accompanying financial statements of the International Gay and Lesbian Human Rights Commission, Inc. ("IGLHRC"), a not-for-profit organization, which comprise the statements of financial position as of June 30, 2014 and 2013 and related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the International Gay and Lesbian Human Rights, Inc. as of June 30, 2014 and 2013, and the changes in its net assets, its cash flows, and its functional expenses for the years then ended in accordance with accounting principles generally accepted in the United States of America.

INTERNATIONAL GAY AND LESBIAN HUMAN RIGHTS COMMISSION, INC.

Notes to Financial Statements

June 30, 2014 and 2013

1. ORGANIZATION

The International Gay and Lesbian Human Rights Commission, Inc. ("IGLHRC") was incorporated in 1991 as a U.S.-based not-for-profit organization headquartered in New York City with an office in Johannesburg, South Africa. The mission of IGLHRC is to secure the full enjoyment of the human rights of all people and communities subject to discrimination or abuse on the basis of sexual orientation or expression, and/or HIV/AIDS status. IGLHRC actively fosters partnerships with local, national and international activists and organizations to further this mission through advocacy, documentation, coalition building, public education, training and technical assistance.

For Federal income tax purposes, IGLHRC is classified as a 501(c)(3) organization and is exempt under Section 509(a)(1) of the Internal Revenue Code and a similar provision of the New York State income tax laws.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of IGLHRC have been prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America. The significant accounting policies are described below.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in Accounting Standards Codification ("ASC") 958, Financial Statements of Not-for-Profit Organizations. Under ASC 958, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted net assets.

Unrestricted

Unrestricted net assets are net assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations and are available for the general operations of the IGLHRC.

The Board-designated quasi-endowment net assets include resources that have been designated by the Board of Directors to function as endowments and consist of amounts held in a reserve for operating contingences. Any portion of the quasi-endowment may be expended upon approval of the Board of Directors. Investment income from these net assets supports the current operations of IGLHRC. The balance in Board designated net assets was \$550,000 as of June 30, 2014 and 2013.

INTERNATIONAL GAY AND LESBIAN HUMAN RIGHTS COMMISSION, INC.

Notes to Financial Statements

June 30, 2014 and 2013

Temporarily Restricted

Temporarily restricted net assets include gifts of cash and other assets received with donor-imposed stipulations that will be met either by actions of IGLHRC and/or the passage of time.

Contributions with donor-imposed restrictions are reported as increases in temporarily restricted net assets and are reclassified to unrestricted net assets when purpose or time restrictions are met, and recorded in the accompanying financial statements as net assets released from restrictions.

Permanently Restricted

Permanently restricted net assets include funds that have been restricted by donors to be held in perpetuity. IGLHRC had permanently restricted net assets of \$18,354 as of June 30, 2014 and 2013.

Cash and Cash Equivalents

IGLHRC considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Grants and Contributions

IGLHRC records contributions and grants, both cash and in-kind, when an unconditional promise to give such assets is received from a donor. Contributions and grants are recorded at the fair market value of the assets received and are classified as either unrestricted, temporarily restricted, or permanently restricted, depending on whether the donor has imposed a restriction on the use of such assets.

Contributions and grants receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on these amounts are computed using a risk-free interest rate determined in the year in which the contribution originates. Amortization of the discount is included in contribution revenue.

IGLHRC uses the allowance method to determine uncollectible grants and contributions receivable. The allowance is based on prior years' experience and management's analysis of specific grants and contributions made.

Notes to Financial Statements

June 30, 2014 and 2013

Contract Revenue

Revenue from government and other contracts is recognized when reimbursable expenses are incurred under the terms of the respective contracts. Contract payments in excess of qualified expenses are accounted for as contract advances.

Deferred revenue

Income for special events that will occur in the subsequent fiscal year is deferred and recognized when the event takes place.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the organization.

Property and Equipment

International Gay and Lesbian Human Rights Commission, Inc. capitalizes property and equipment with a cost or fair value exceeding \$2,000 and a useful life of more than one year. Depreciation of property and equipment is provided on the straight-line method over the expected useful lives of the assets as follows:

Property and equipment	3-5 years
------------------------	-----------

Functional Expense Allocations

The costs of providing the various programs and other activities of IGLHRC have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting service benefited. Such allocations are determined by management in accordance with grant provisions and/or other equitable bases.

Income Taxes

IGLHRC has adopted Accounting Standards Codification ("ASC") 740 "Income Taxes." ASC 740 requires that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The adoption of this guidance did not have an impact on IGLHRC's financial statements, as management believes that there are no uncertain tax positions within its financial statements. IGLHRC has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and

report unrelated income; determine its filing and tax obligations in jurisdictions for which it has nexus; and to review other matters that may be considered tax positions.

IGLHRC's Forms 990, *Return of Organization Exempt for Income Tax*, for the years ending June 30, 2011, 2012, and 2013 are subject to examination by the IRS, generally for three years after they were filed.

Concentrations of Credit Risk

Financial instruments that potentially subject IGLHRC to concentrations of credit risk consist primarily of cash and cash equivalents. IGLHRC maintains cash and cash equivalent balances in various bank accounts that, at times, may exceed federally insured limits. As of June 30, 2014 and 2013, IGLHRC's cash balances exceeded federally insured limits by \$919,722, respectively. IGLHRC's cash accounts are placed with high credit quality financial institutions. IGLHRC has not experienced, nor does it anticipate, any losses in such accounts.

Concentration of Grants and Contributions and Receivable

Approximately 69% of IGLHRC's revenues for the year ended June 30, 2014 was provided by two private foundations and one international governmental agency. Approximately 56% of IGLHRC's revenues for the year ended June 30, 2013 was provided by one private foundation and one international governmental agency.

Grants from two private foundations and a multiyear grant from a private foundation made up approximately 91% of IGLHRC's grants and contributions receivable as of June 30, 2014. As of June 30, 2013, only one multiyear grant from a private foundation made up approximately 75% of IGLHRC's grants and contributions receivable.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

For comparative purposes, certain amounts previously reported have been reclassified to conform to current year presentations.
