Hey [Friend's Name],

This Pride, I'm raising money for [Outright International](#) to support LGBTIQ people fighting for their rights and dignity across the globe. Outright works side-by-side with activists, challenges anti-LGBTQI policies, and documents abuses to hold governments accountable. Right now, these efforts are more urgent than ever. Subject: Help Me Support Global LGBTIQ Movements 🌍

Hi [Friend's Name],

This Pride season, I'm raising funds for [Outright International](#)—a global organization that does far more than advocate at the United Nations.

Outright supports courageous LGBTIQ activists around the world, documents human rights violations that too often go unseen, and helps shift global narratives toward dignity, safety, and equality. In a time of escalating backlash—from anti-trans laws to bans on Pride and attacks on civil society—this work is vital.

I'm proud to be part of this movement, and I believe that solidarity is powerful. Every dollar raised goes toward advancing human rights where it's needed most.

Will you make a donation to support my fundraiser for Outright?
